I am bound to this offer from access to the Knorr Venture Capital Deutschland GmbH (Transfer Agent) until to ____ . ____ . ____ .
(Please enter the date, otherwise month end).

A contract for the purchase of the above securities will only be closed if the Knorr Venture Capital Deutschland GmbH (KVCD GmbH), the trustee, will accept my offer within the deadline. I waive to receive a declaration of acceptance. In conclusion of a contract I can get an immediate settlement with the securities account of the KVCD GmbH, which I will be obliged to perform first. This means that the payment of the agreed purchase price through me has to be done, only then the delivery of securities by KVCD GmbH will be arranged. In the event that no agreement is closed, because KVCD GmbH by me to the specified rate may not complete, the offer lapses after the expiry of the above commitment period, without any cost for me. In case of conclusion of this contract KVCD GmbH calculates a payroll expense of EURO 7.50/order. KVCD GmbH will charge no other external costs. An investment in OTC securities is generally subject to risks. The loss of parts or the whole capital can never be excluded. The business service of the KVCD GmbH is restricted on the purchase and sale of securities. It is the policy of the KVCD GmbH, as many buy and sell bids to operate. Any Brochures, analysis, market commentaries, charts, etc., KVCD GmbH send to the customers are not an investment advice (execution only). I confirm that I am read and understand the above notes.
